

# ISS DOME: Anything but boring.

Flexibility, multifunctional concept and exclusivity are the prominent features of the state-of-the-art ISS DOME in Düsseldorf. Whether ice hockey, concert, kick-off meeting, product presentation, conference, corporate event or workshop – the ISS DOME with its flexible concept provides the perfect setting for high-class, tailor-made events of all kinds and can accommodate from 30 to 13,400 persons. The interior exhibition space is 1,800 square metres in size and can be enlarged by telescopic grandstands to a total of 2,400 square metres. If more exhibition areas are needed, the generous lobbies will meet all your requirements.
